

## **IFCN Education Fellowship (Africa for Africans) Application Form**

### **Introduction**

The International Federation of Clinical Neurophysiology (IFCN) Education Fellowship: Africa for Africans is aimed at supporting training in clinical neurophysiology for applicants from Africa without access to similar training in their home country and who choose to pursue training at a centre within Africa.

### **Eligibility criteria**

Applicants must meet the following criteria to have their application considered:

1. Member of an IFCN member society, or the International Clinical Neurophysiology Society (ICNS) for members from non-affiliated countries
2. Applicants with a minimum of 2 years in core medical training (e.g. neurology, rehabilitation medicine, clinical neurophysiology) are preferred
3. Intent to return to their country after the period of fellowship
4. There are no age limits
5. Scope and period of training:
  - i. Any field of clinical neurophysiology including general or specific/specialised techniques for which training opportunities are not available in their own country
  - ii. Applicants will identify training centres within Africa
  - iii. The minimum duration of training is 3 months with a maximum of 1 year
6. Candidates must contact the education mentor themselves and obtain permission for the fellowship. (The mentor will be required to complete section III of the application form)

### **Submission details**

#### **Deadline for submission is 15 July 2022 (date of receipt)**

Please send your application to the Secretariat of the IFCN via email at [info@ifcn.info](mailto:info@ifcn.info).

For any enquiries, please email: Catherine Lamoureux, IFCN Program Manager at [clamoureux@ifcn.info](mailto:clamoureux@ifcn.info)

The IFCN Education Committee will make the selection of successful candidates. Applicants will be informed of the decision by 15 August 2022.
